@FraudSMART

Be Informed

- never click on suspicious links, or open attachments from unknown email sources
- never share your security details, PIN or full online banking details. Your bank would never ask you to disclose these!

Be Alert

- to random or unexpected emails, calls or texts about your banking or finances. Always double check they are who they say they are!

Be Secure

- never use public wi-fi for online banking. Use a 3G/4G connection
- always check for the 'S' in https when using websites, especially when shopping online
